Squaw Patrol Dogs

All photos by Keoki Flagg

Meeet Keoki Flagg. Love his pictures! He lives in Squaw Valley, Lake Tahoe. During the past 14 years, he has developed his unique photographic perspective by shooting “world adventure” editorial photography. His photographs have graced the pages of *National Geographic Adventure*, *Men’s Journal*, *Vogue*, *Audubon*, *Outside*, *Ski*, *Skiing Geo*, and *Sports Illustrated for Women*. Flagg sees his work as his best excuse to explore the world and capture magic moments through the eyes of amazing animals and people.
